

Long-term care insurance

If you require long-term care, you'll receive contributions towards household help, nursing home costs or other expenses of your choice. That way, you can protect your personal assets.

Supplementary insurance

Long-term care	CURA	VIVANTE
	Contributions to nursing home accommodation or household help if care is required helsana.ch/en/cura	Long-term care insurance with use of daily allowance at your discretion helsana.ch/en/vivante
	 Contributions towards household help or nursing home costs	 Daily allowance may be used at your discretion in the event that long-term care is required
Daily allowance	Individual choice of daily allowance: CHF 10, 20, 30, 40, 50, 60, 70, 80, 90, 100, 110, 120, 130, 140, 150, 200, 250 or 300	Individual choice of daily allowance¹: from CHF 40/day, i.e. max. CHF 1,200/month to CHF 180/day, i.e. max. CHF 5,400 month
Waiting period	180, 360, 720 or 1,080 days	No waiting period
Choice of care / Co-payment	Inpatient: contributions towards accommodation costs as per insured daily allowance. Provides financial relief for the costs of accommodation and meals. Outpatient: in the event of care at home, contributions to the cost of household help. Makes it possible to stay in your own home for longer.	Free choice of type of care, whether outpatient or inpatient
Use	The insured amount may only be used for specific benefits (proof of uncovered costs must be provided).	How you use the money is entirely at your discretion.
Premium	The premium changes depending on your age, so you will pay less when you are younger and more when you are older.	The earlier you take out the cover, the less expensive the premium will be. The premium level remains the same throughout the entire term of the insurance.
Waiting period		On concluding Vivante insurance, an initial waiting period of three years applies in the event of illness.

1 Benefits are paid out proportionally in accordance with the level of care needed, which must be expected to continue for at least six months and be at least 25% (as per the Barthel Index).
