

Prevention starts today
What we offer your company

Helsana
Committed to life.

Prevention products at a glance

Helsana Business Health

Do you want committed, high-performing employees? We advise and support you on all topics related to occupational health management (OHM) and offer the right measures for your company – from workshops to new structures.

helsana.ch/ohm

Health4Business

With the holistic digital solution Health4Business, your employees benefit from tips, exercises, rewards and a simple way to report absences. At the same time, HR specialists and managers get a central tool for health promotion and absence monitoring.

New: Prevention Budget

Integrate a Prevention Budget directly into your daily sickness benefits insurance (DSB). This gives you a fixed amount for prevention: you decide when and for which of our products you use it.

A healthier company, step by step

Every company is different. Our health managers will help you find the right services for you – tailored to your goals and your employees' needs.
