

# We are committed to your health

## How to benefit from our services

# We are here to help you.

Your health is important to us. We're by your side when you need us. Any time, any place. Helping you stay healthy. So that you recover quickly. Or can live a better life when affected by illness.

We motivate and support you when you want to take action for your health. We can offer advice at any of the **40 Helsana locations** in Switzerland, or you can call us at any time. You and **more than 2 million other customers** benefit not only from numerous insurance products but many other attractive services as well.

The **Helsana Coach app**, for example, helps you reach your personal health goals, step by step. The **Helsana+ bonus programme** rewards your healthy lifestyle. And with **Helsana Trails**, you can choose from over 360 outdoor running routes throughout Switzerland.

But we are also committed to the common good. We support social projects and organisations, including the **Theodora Foundation**, whose Giggle Doctors bring carefree moments to children in hospital.

As an official partner of **the Swiss Red Cross**, we are also committed to the health and well-being of Switzerland's population. We work to promote first aid and ease the burden on those tasked with caring for relatives.

**We are here to help you. Throughout your life.**

# Partner services

Better care, better conditions: we work with selected partner companies. Here's how you stand to benefit.

## For your medications

You can have prescribed medications conveniently delivered to your home. Your benefits at a glance: You will enjoy preferential prices and free delivery.

We have a working relationship with four well-established mail-order pharmacies. MediService, Zur Rose and Xtra-pharm can offer you a comprehensive range of products, while Rothaus direct covers certain specialist medicines.

## For medical aids

You can get various medical aids on attractive terms thanks to exclusive agreements with various suppliers. These include diabetes products, medical aids for respiratory problems and incontinence, and electric nursing beds and hip protectors.

## Simple medication management with Medi+

Thanks to our partnership with Zur Rose, you can access the Medi+ online service free of charge in myHelsana.

Medi+ will remind you when to take your medications, for example, and you can have prescriptions renewed directly by your doctor. Activate the service now in the myHelsana client portal and benefit from practical features like the dose schedule and the savings potential calculator for generic medication.

## For your health data: Compassana

Organise your health conveniently in one place with Compassana. The app lets you access your data, such as medical reports, laboratory results, medications and prescriptions, at any time so you can optimally prepare for specialist appointments, hospital admissions or changing doctors.

You can use the app to organise your appointments, and follow your treatment plan in the timeline. Compassana allows you to receive and share medical reports and information securely.

You can find out about all of the advantages of Compassana at [helsana.ch/en/compassana](https://helsana.ch/en/compassana)

Download the Compassana app and get started.

## Quick overview of documents and co-payments

You can view all your benefit statements, find out your current deductible and excess status and access your outstanding invoices at any time.

## Secure, encrypted communication

Your access to myHelsana and your data are protected by organisational and technical measures, and communication is encrypted.

## Submit invoices easily

With myHelsana, you can send in your documents even more conveniently: simply upload the PDF and submit it. And the scan feature in the myHelsana app makes it even easier. Photograph the document with your smartphone and send it directly via the app.

## Digital medical advice services

In addition to free medical advice by phone from our partner Medi24, you can also access myMedi24's symptom checker via myHelsana, among other things. It's especially practical during the night and on weekends: the services are available 24/7, for free.

# Health consultation

We will thoroughly answer all of your health-related questions tailored to your needs. This means you can actively influence your own health.

### What is health consultation?

Our health advisors answer all of your health-related questions, whether it be in relation to stress, diet or exercise or mental health. They can also help you prepare for a consultation with a doctor, deal with a diagnosis or advise you on a recommended course of treatment. Our team of health consultation advisors includes experts from various specialties, all of whom have extensive experience in one or more healthcare professions in Switzerland. Kinesiologists, naturopaths and psychologists, among others, are all part of the team.

### Who can use the health consultation service?

All Helsana supplementary insurance policyholders can use this service free of charge.

### What does a health consultation entail?

You discuss your health-related concerns with our health consultation advisors over the phone and get helpful, straightforward information tailored to you and specific recommendations for action as part of a holistic approach.

More information can be found and appointments can be requested at [helsana.ch/health-consultation](https://helsana.ch/health-consultation)

# Personal hospital support

Are you undergoing inpatient hospital treatment? Thanks to your HOSPITAL Private or Semi-Private supplementary hospital insurance, you can benefit from personal support from a specialist free of charge. They will help you with any questions you may have before, during and after your hospital stay.

## How you benefit from hospital support

- A personal contact person will advise you during your treatment.
- We'll help you arrange the most important steps and relieve you of administrative tasks.
- We will inform you about your first-class insured benefits and how you can make use of them.
- This service is free and exclusive to HOSPITAL Semi-Private and Private insurance policyholders.<sup>1</sup>

<sup>1</sup>This advisory service is provided by Helsana. There is no entitlement to the service and its use is voluntary. All your data will be treated according to strict data protection guidelines. Please read the data protection provisions at [helsana.ch/hospital-support](https://helsana.ch/hospital-support)

## What concerns about your hospital stay can we help you with?

### Before your stay

We prepare you as best as possible for your hospital stay.

- Who will cover which costs?
- What information should I provide on the admission form?
- What questions should I ask the medical specialist during the admission process?
- How do I organise transport to the hospital?
- Do I have to bring my medication to the hospital with me?

### During your stay

We provide a personal contact person to support you throughout your entire hospital stay.

- How should I prepare for the discharge process?
- How do I organise transport home?
- What treatments and appointments will there be after the hospital stay?
- Whom can I contact if I have medical questions about my further treatment?

## During your recovery

We support you during your recovery at home.

- Who will support me with household chores or childcare?
- How can I manage my everyday life as easily as possible?
- How can I take an active part in my own recovery?

## The Theodora Foundation

As a partner of the Theodora Foundation, Helsana helps more than 100,000 children a year experience some light-hearted moments in hospital.

We are a proud partner of the Theodora Foundation. And we appreciate the valuable work of its Giggle Doctors. Day after day, they make children's eyes light up and spread a little magic. With this partnership, Helsana and other partners contribute to helping more than 8,000 children enjoy a few carefree moments in hospital each month.

tasy and imagination. Each child is given a balloon animal, lucky charm or uplifting card – something to remember the wonderful experience.

Helsana has been supporting the Theodora Foundation since the start of 2016.

Specially trained performers cheer up young patients with humour and imagination, which in turn puts a smile on the face of their parents, siblings and nursing staff. They visit 33 hospitals and 27 specialist institutions for disabled children throughout Switzerland, tailoring their performances to the individual needs of the young patients.

The fun and games make them laugh, dream and quite simply be children. The Theodora Foundation's 70 or so Giggle Doctors whisk children away into an exciting world of fan-

## Swiss Red Cross

As an official partner of the Swiss Red Cross, Helsana is committed to the health and well-being of Switzerland's population.

Working with the Swiss Red Cross (SRC), we promote issues that affect us all as a society. With our combined forces, we help ensure that as many people as possible are capable of performing first aid in an emergency. This includes when somebody needs first aid due to mental health problems. And we promote services aimed at easing the burden on people who care for their relatives.

institutions, the SRC is present across Switzerland and active in around 40 countries around the world.

Helsana has been supporting the Swiss Red Cross since the start of 2020.

You can find further information on our partnership with the Swiss Red Cross at [helsana.ch/redcross](https://helsana.ch/redcross)

As the largest and oldest humanitarian organisation, the Swiss Red Cross combines the areas of health, integration and rescue under one roof. Through its activities, the SRC protects the health and dignity of people in need. With 24 cantonal associations, four rescue organisations and two

# Helsana trails

Get outdoors and recharge your batteries. Helsana trails are signposted loop trails for jogging, walking or hiking. There are more than 360 trails throughout Switzerland.

Did you know that there are more than 360 trails in 120 different locations throughout Switzerland? The trails are suitable for all fitness levels, with lengths ranging from 1 km to 25 km.

## Collect points with Helsana+

The trails map at [helsana.ch](https://helsana.ch) shows you all of the routes, distances and altitude profiles of the selected Helsana trails. Use your fitness tracker and connect to the Helsana+ app, and benefit not just from the expansive natural surroundings of the Helsana trails, but from lots of Plus points too. On any route and for any type of training.

The trails map also shows you the best attractions on and near the Helsana trails, including vantage points, playgrounds, places to swim and museums.

# Recommendations

Does your Helsana insurance cover make you feel good? Then share your positive experience with the people important to you.

## Your reward

Share this feeling. You will receive CHF 100 if the person you recommended us to takes out basic and supplementary insurance with us. Your Helsana+ account will also be credited with 1,500 Plus points once per year.

## Here's how it works

### 1. Ask your friends or relatives

Tell your friends or relatives about Helsana, and ask them if you can give us their contact details. Please only name interested individuals who would like to receive an offer.

### 2. Fill out the online form

Send us your contact details and those of the person interested in learning more about Helsana. Please note that you both have to be an adult and have your place of residence in Switzerland.

### 3. The interested person receives an offer

After sending off the form, the person will be contacted and will receive a non-binding offer from us.

### 4. Reward after the contract is signed

If the person you recommended us to takes out basic insurance and at least one supplementary insurance policy with Helsana, we'll transfer CHF 100 to you.

## Our extra little thank you

If you use the Helsana+ app, you can earn 1,500 Plus points that will be credited to your Helsana+ account once a year when you recommend us to someone successfully.

### Interested?

You can find the online form for referrals at [helsana.ch/friend-referral](https://helsana.ch/friend-referral)
