

## Comprehensive advice on every insurance issue

Committed to your future protection.

Life is multifaceted, and so are the needs it brings. To ensure you can enjoy this diversity to the full, we are at your side with our insurance products at every stage of your life. And as each of these stages brings its own challenges,

good advice is always welcome. Through our subsidiary Procure Providence Ltd, Helsana provides personalised advice on all aspects of insurance.

**Helsana**  
Committed to life.

# Procure: your contact for every insurance issue

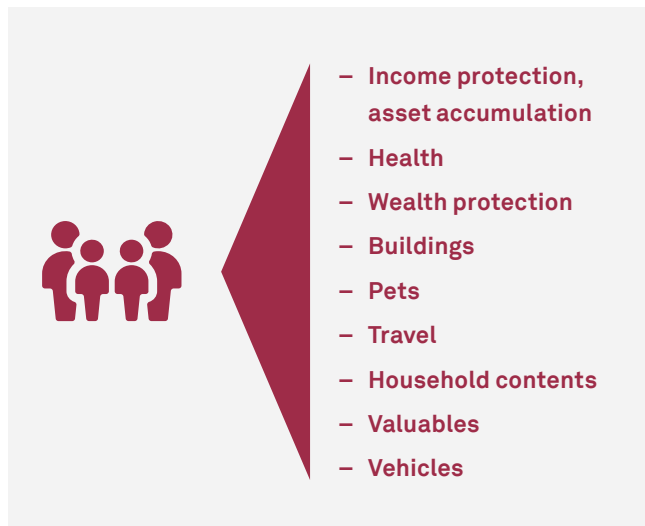

We offer you tailored solutions for ensuring your future financial health.

You benefit from a comprehensive advisory process with three steps:

1. Determining and understanding your situation and wishes.
2. Providing solutions that meet your needs with insurance that offers the right benefits.
3. Working with you to select and implement the right solution.

## Advisory approach and services

Our competent, personal advice covers a broad range of topics, with the focus on you and your needs.

## We are committed to you at every stage of your life:

### 0–18 years

When taking those first steps – on their own two feet, with their piggy bank or on the internet – children and young people have their own specific needs.

- Health insurance
- Children's and young people's savings accounts
- Legal expenses cover, e.g. for mobile phone use

### 19–29 years

Your first car, your first apartment, travelling and starting work – your twenties are all about mobility and change.

- Finish your education
- Take out home contents insurance
- Insurance cover for stays abroad

### 30–50 years

Employed or self-employed, with or without children – the focus is on your career, your family or a home of your own.

- Extend your insurance cover
- Build up your assets
- Buy your own home

### 51–65 years

Your professional and life experience come together as retirement approaches and you prepare for a new chapter in life.

- Promote your health and review your health insurance
- Protect your assets
- Plan for retirement

### 66+

Time for things that are important to you and give you pleasure. Time to enjoy life to the full again.

- Maintain your health
- Protect your assets
- Optimise your budget
