If your preferred hospital is listed, please make sure you contact us before your admission to hospital.

We do not have contractual arrangements with the listed hospitals regarding additional benefits and prices in their semi-private and private wards.

We cover the economically appropriate costs of the additional benefits provided in these hospitals within the framework of the cantonal benefits mandate. The costs of any uneconomic treatment will not be covered (Art. 21.1, c of the General Insurance Conditions (GIC) for supplementary health insurance)). This also applies to services provided by attending physicians. We reserve the right to check the details of the invoiced benefits and prices.
