List of hospitals without additional benefits governed by a contract in semi-private and private wards

The following list is applicable to the following supplementary hospital insurance products:

- HOSPITAL ECO
- HOSPITAL FLEX (AIC editions January 1, 2012 or 2014)
- OMNIA

We do not have contractual arrangements with the listed hospitals regarding additional benefits and prices in their semi-private and private wards.

We cover the economically appropriate costs of the additional benefits provided in these hospitals within the framework of the cantonal benefits mandate. The costs of any uneconomic treatment will not be covered (Art. 21.1, c of the General Insurance Conditions (GIC) for supplementary health insurance). This also applies to services provided by attending physicians. We reserve the right to check the details of the invoiced benefits and prices.

The relevant Additional Insurance Conditions (AIC) and the General Insurance Conditions (GIC) apply.

If your preferred hospital is listed, please make sure you contact us before your admission to hospital.

We will be happy to provide you with information on **0844 80 81 82**.

There is neither a Helsana KVG contract hospital agreement nor any VVG rate agreement. Beyond the cantonal quota (i.e. without cantonal co-financing), in the case of inpatient stays Helsana will therefore not cover any benefits under KVG basic insurance (Helsana Insurance Company Ltd), or any benefits under supplementary insurance (Helsana Supplementary Insurances Ltd). This also applies to services provided by attending physicians.

Changes may be made over the course of the year. The right to make such changes remains expressly reserved.
