Conditions (AIC):

- 1) Restriction: Where the Supplementary Hospital  
Insurance products HOSPITAL Semi-Private and  
HOSPITAL Private HOSPITAL FLEX (AIC edition  
January 1, 2025) are concerned, no agreed rates  
exist with these hospitals for the semi-private and/or

benefits** in these hospitals from the aforementioned

- 3) Note: It is a KVG contract hospital as soon as the  
cantonal quota has been exhausted.

If a restriction concerning your preferred clinic is specified  
on the list below, please inform yourself without fail  
before your admission to hospital as to whether we will  
pay the costs. By doing so, you will avoid any unpleasant  
surprises and uncovered costs.

We will be happy to provide you with information on tel.
