which – if there is no note to the contrary – cost coverage exists from the above-mentioned Supplementary Hospital Insurance products under the conditions of the General Insurance Conditions (GIC) and the Additional Insurance Conditions (AIC):

- 1) Restriction: Where the Supplementary Hospital Insurance products HOSPITAL Semi-Private and HOSPITAL Private HOSPITAL FLEX (AIC edition January 1, 2025) are concerned, no agreed rates exist with these hospitals for the semi-private and/or private ward. Therefore, there is **no entitlement to benefits** in these hospitals from the aforementioned Supplementary Hospital Insurance products.
- 2) Restriction: HOSPITAL PLUS/COMFORT, HOSPITAL PLUS/COMFORT BONUS, HOSPITAL PLUS/COMFORT CLASSICA, HOSPITAL ECO, HOSPITAL FLEX (AIC editions January 1, 2012 or 2014) and OMNIA: Please note the list of hospitals without additional benefits governed by a contract> [Tariff negotiations with hospitals - Helsana](#)
- 3) Note: It is a KVG contract hospital as soon as the cantonal quota has been exhausted.

If a restriction concerning your preferred clinic is specified on the list below, please inform yourself without fail before your admission to hospital as to whether we will pay the costs. By doing so, you will avoid any unpleasant surprises and uncovered costs.

We will be happy to provide you with information on tel. **0844 80 81 82.**
