- 1) Restriction: Where the Supplementary Hospital Insurance products HOSPITAL Semi-Private and HOSPITAL Private are concerned, no agreed rates exist with these hospitals for the semi-private and/or private ward. Therefore, there is **no entitlement to benefits** in these hospitals from the aforementioned Supplementary Hospital Insurance products.
- 2) Restriction: Where the HOSPITAL PLUS/COMFORT, HOSPITAL PLUS/COMFORT BONUS, HOSPITAL PLUS/COMFORT CLASSICA, HOSPITAL ECO, HOSPITAL FLEX and OMNIA Supplementary Hospital Insurance products are concerned, there is **no full cost coverage** in these hospitals.
- 3) Note: It is a KVG contract hospital as soon as the cantonal quota has been exhausted.

If a restriction concerning your preferred clinic is specified on the list below, please inform yourself without fail before your admission to hospital as to whether we will pay the costs. By doing so, you will avoid any unpleasant surprises and uncovered costs.
