

## Exceptional forms of treatment

---

### **TOP supplementary healthcare insurance**

**(pursuant to the Additional Insurance Conditions – AIC – Art. 8, para. 3)**

### **OMNIA supplementary health insurance**

**(pursuant to the Additional Insurance Conditions – AIC – Art. 8, para. 1)**

### **COMPLETA supplementary healthcare insurance**

**(pursuant to the Additional Insurance Conditions – AIC – Art. 9, para. 3)**

**As at 1 January 2019**

---

For exceptional forms of treatment we will cover up to 75% of the costs, provided you have submitted a prior request, obtained a medical prescription and use a therapist recognised by us. Benefits are limited to a maximum of CHF 3,000 under TOP/OMNIA and CHF 4,500 under COMPLETA per calendar year.

Please note: For individual treatment options, the indications, the number of paid sessions and/or maximum cost per treatment are also fixed. We will be happy to provide you with more detailed information on the exact scope of benefits. You can find our phone number on your insurance card.
